PRESS RELEASE

Gunnar Hirschfeldt appointed Managing Director at Advisense

Advisense, market leader within governance, risk, and compliance services, is proud to announce the promotion of Gunnar Hirschfeldt to Managing Director.

Gunnar Hirschfeldt has been a cornerstone in the development of Advisense's analytical and quantitative frameworks, significantly enhancing the company's Insurance advisory capabilities. Gunnar's elevation demonstrates Advisense's dedication to reinforcing its advisory services for the Insurance sector and supporting its international expansion plans.

"I am thrilled to be promoted to Managing Director at Advisense. Building on our established expertise, my focus will be on enhancing our comprehensive service offerings in the Insurance sector. As we expand internationally, I am committed to ensuring our blend of expertise continues to deliver tangible results to our clients", **says Gunnar Hirschfeldt.**

This promotion is not only a recognition of Gunnar's contribution to the firm but also aligns with Advisense's strategic objectives. As the company prepares to extend its reach beyond the Nordic region, his role will be crucial in serving new markets and to meet the complex needs of global insurance clients.

Advisense is committed to delivering unparalleled expertise in areas such as risk management, financial crime prevention, and digital risk, with a keen focus on quantitative analytics and data management.

"Gunnar's expertise goes beyond the analytical; he has a profound understanding of the Insurance industry as a whole. His leadership will be instrumental as Advisense grows, ensuring that our services remain at the forefront of innovation and excellence in every market we enter," **says Jim Gustafsson, Global Head of Insurance at Advisense.**
